

Are you thinking about getting a psychic reading online? Been scouring the net trying to weigh each option against the others to see where the legitimate psychics and clairvoyants really are? No one wants to talk to a phony psychic. If you're going to put down money to have someone give you a personal psychic reading, you certainly want it to be quality, something geared toward helping you and not just draining your wallet.

This is a review of [Psychic Source](#), one of the oldest and most trusted online psychic resources on the web. We have no affiliation with them whatsoever and don't normally give out reviews on just any website, however, there is massive appeal and popularity associated with Psychic Source and it makes sense to illuminate the trend for the uninformed

A **psychic reading** is a specific attempt to discern information with [clairvoyance](#) and the resulting statements made during such an attempt.^[1] The term is commonly associated with [paranormal](#)-based consultation given for a fee in such settings as over the phone, in a home, or at [psychic fairs](#).^{[2][3]} Though psychic readings are controversial and a focus of [skeptical inquiry](#),^[4] a popular interest in them persists.^[5] When seeking a psychic reading the choice between a "pseudo-psychic" and a [psychic](#) who is considered to be "genuinely gifted" by clients is commonly made based on [word of mouth](#).^{[6][unreliable source?]}

From Wikipedia, the free encyclopedia

There are many types of psychic readings practiced by those who claim to have psychic abilities. Although psychic readings might not incorporate the use of any tools, a professional psychic may have one or more specialized areas of expertise. Some of the more common readings include [Tarot reading](#), [palm reading](#), [psychometry](#), [aura readings](#), or [astrological readings](#).

Aura reading

Aura readings involve the observation and interpretation of [auras](#).^[8] The "aura" is a field of subtle, luminous radiation supposedly surrounding a person.^[9] Aura readers claim to have the ability to see or sense this aura and interpret its meaning to the individual.

Psychometry (from [Greek](#): ψυχή, *psukhē*, "spirit, soul"; + μέτρον, *metron*, "measure"),^[2] also known as **token-object reading**,^[3] or **psychoscopy**,^[4] is a form of [extra-sensory perception](#) characterized by the claimed ability to make relevant associations from an object of unknown history by making physical contact with that object.^[5] [Psychics](#) assert that an object may have an energy field that transfers knowledge regarding that object's history.[6] Spiritual medium, dream interpreter, psychic medium, psychic readings, clairvoyant, counsellor, Support, guidance, Karen Ellyard, Gold Coast, Queensland, Australia, Perth, Melbourne, Sydney, Adelaide, Darwin, Hobart, Brisbane, Reiki, Angel, Meditation and teaching

Psychometry is commonly offered at psychic fairs as a type of [psychic reading](#).^[7] At [New Age](#) events psychometry has claimed to help visitors "meet the dearly departed" (a form of [spiritualism](#)).^[8] Although a subject of controversy,^[9] psychics who use psychometry have been used by law enforcement as [psychic detectives](#)^[10] "as a last resort [and] as an investigative tool with caution"^[11] for providing clues not directly admissible in the court of law such as a criminal's character, or the location of dead bodies.^{[10][12]} Many police departments around the world have released official statements saying that they do not regard psychics as credible or useful on cases.
